* These figures include proxy votes. Where shareholders have appointed the Chairman of the meeting as their proxy with discretion as to voting on the resolutions, those votes have been cast in favour of the relevant resolutions. A vote withheld is not a vote at law, withheld votes therefore do not form part of the total votes cast.

Resolution 16 proposed as an ordinary resolution voted on by Independent Shareholders only**

Resolution Number	For*		Against*		Withheld*	Total Votes*
	Number of shares	% of total	Number of shares	% of total	Number of shares	
16	183,402,537	30.26	295,903,413	61.74	323,404,682	479,305,950

* These figures include proxy votes. Where shareholders have appointed the Chairman of the meeting as their proxy with discretion as to voting on the resolutions, those votes have been cast in favour of the relevant resolutions. A vote withheld is not a vote at law, withheld votes therefore do not form part of the total votes cast.

** Independent Shareholders are all shareholders other than Mark Dixon, Chief Executive and holder of 322,028,792 ordinary shares in the Company (being 34.19% of issued share capital).

As resolution 16 was not passed, the Panel's waiver of any obligation that would otherwise arise under Rule 9 of the Code as a result of market purchases of ordinary shares by the Company, pursuant to the authority granted under resolution 18 below, is no longer valid. Accordingly, the directors of the Company will not make use of the authority granted under resolution 18 unless arrangements can be put in place to ensure that Mr. Dixon's percentage interest in the ordinary shares of the Company will not increase as a result of any future purchases by the Company of its own shares or a further waiver is sought from the Panel in respect of such increases (and Independent Shareholder approval is granted), since, based on the issued share capital of the Company and Mr. Dixon's current percentage interest in the ordinary shares of the Company, any purchases by the Company of its own shares from shareholders of the Company other than Mr. Dixon could result in Mr. Dixon having to make a mandatory offer under Rule 9 of the Code.

Mark Dixon's maximum potential interest in the Company remains 326,128,016 ordinary shares (being 34.62% of issued share capital).
