About Regus

Regus is the global workplace provider.

Its network of more than 2,500 business centres in 106 countries provides convenient, high-quality, fully serviced spaces for people to work, whether for a few minutes or a few years. Companies like Google, Toshiba and GlaxoSmithKline choose Regus so that they can work flexibly and make their businesses more successful.

The key to flexible working is convenience and so Regus is opening wherever its 2.1million members want support – city centres, suburban districts, shopping centres and retail outlets, railway stations, motorway service stations and even community centres.

Founded in Brussels, Belgium, in 1989, Regus is based in Luxembourg and listed on the London Stock Exchange. For more information, please visit www.regus.com.
