Regus Group plc AGM Trading Update

At today's Annual General Meeting, John Matthews, Chairman of Regus, the leading global provider of outsourced workplace solutions, will provide the following update on current trading and prospects:

"I am pleased to report that Regus' financial performance in the year to date is in line with the Board's expectations. Revenues for the three months to 31st March 2007 (at actual exchange rates) were £199.7m, an increase of 50.9% over the £132.3m achieved for the same period last year. The number of actual workstations has grown in the first three months by 6.6% to 128,019 underpinning the delivery of our expansion programme outlined at our preliminary results."

"Regus is on track and delivering solid growth while enhancing the underlying business. The Board is committed to continuing this profitable growth strategy and providing attractive cash generation over the long term."

Regus Group plc will announce its interim results for the six months ended 30 June 2007 in early September.
