**About Regus**

Regus is the world's largest provider of flexible workplaces, with products and services ranging from fully equipped offices to professional meeting rooms, business lounges and the world's largest network of video communication studios. Regus enables people to work their way, whether it's from home, on the road or from an office. Customers such as Google, GlaxoSmithKline, and Nokia join hundreds of thousands of growing small and medium businesses that benefit from outsourcing their office and workplace needs to Regus, allowing them to focus on their core activities.

Over a million customers a day benefit from Regus facilities spread across a global footprint of 1,200 locations in 550 cities and 95 countries, which allow individuals and companies to work wherever, however and whenever they want to. Regus was founded in Brussels, Belgium in 1989, is headquartered in Luxembourg and listed on the London Stock Exchange. For more information please visit: [www.regus.com](http://www.regus.com)
